Register a bank account

The quickest and most secure way to receive payments from Försäkringskassan is to register a bank account to which you would like the money transferred. The bank account you register must be your own. If you have a Swedish e-identification, you can register a bank account through My pages (Mina sidor) on our website. If you do not have a Swedish e-identification, you can register a bank account via the application form Anmälan om konto (5605).

Report changes

The supplementary introduction benefit is calculated on the information you provide in your application. We will recalculate your benefit if something changes, for example if you end your programme earlier than planned, if a child moves away from home or if a child starts working. When you contact us, please say that you participate in the establishment programme.
